

Citizens' Scholarship Foundation of Bedford

A Chapter of *Dollars for Scholars*®

I want to thank you for all the work you put in to making these scholarships possible to not only me and my class, but also to past classes and hopefully many classes to come! You and others not only make these scholarships possible, you involve us in the process through the Phone-a-Thon which allows us to have fun while helping others as well as ourselves. I appreciate all your work.

I would like to thank you very much for being awarded the CSF Volunteer Scholarship. This scholarship will be put to good use when I leave for Mount Allison University, a small liberal arts college in New Brunswick, Canada, in the fall. In retrospect, working at the Dollars-for-Scholars Phone-a-Thon was a very positive experience. My hours of fundraising gave me a taste of what many hard-working adults do help defray the cost of college. Thank you personally for the financial support you have provided me, and also thank you for your effort and commitment to helping Bedford students over the years.

Thank you so much for the scholarship money. The amount you chose was very generous and I am very grateful. It will help a lot next fall in the purchase of textbooks for all my classes. I also thank you for giving me the opportunity to help in the money raising process to benefit myself and my fellow graduates with our finances. Thank you so much.

I wanted to thank you for the generous scholarship from the dollars for scholars' fund. It is an honor to have received this money. Every dollar counts when it comes to paying for college and you have helped me to do just that. Thank you again so much for the money and all you do for Bedford citizens.

I cannot thank you enough for awarding me a Dollars for Scholars Scholarship. I cannot wait to begin college at Fitchburg State in the fall and this scholarship will certainly make paying for my education easier. Dollars for Scholars is really an amazing program, so thank you for being a part in it and for giving the opportunity to so many seniors to make college a bit more affordable. Thank you.

A Chapter of Dollars for Scholars®

I would like to thank you for organizing this year's scholarships for graduating seniors. It was a great honor to be chosen for my awards. I know these generous scholarships will be very helpful toward my education. I am attending Worcester Polytechnic Institute in the fall and majoring in robotics engineering. I am thrilled to have this opportunity to attend such a prestigious school. Thank you for your support. It is very much appreciated.

I am writing to thank you for your generous Dollars for Scholars Scholarship. I am so grateful that I was one of the recipients of your scholarship! This fall I will be attending UMass Amherst. Although I am currently undeclared, I am hoping to major in Communications Disorders. Growing up, I have always loved working with people – both children and adults. I am very interested in this area and love all the different options that it offers...By studying at UMass and then going to grad school ...I hope that one day I can become a speech-language pathologist. Once again, I just want to thank you so much for awarding me this scholarship. Thank you for your generosity, support, and for allowing me to continue to pursue my goal and focus on school. The financial assistance that you have provided with will really help me in paying my tuition. I hope that one day I can give back to my community just as you have!

Thank you for your generous contribution to my college planning. I was extremely honored to receive this award in recognition of my academic efforts at Bedford High. I am excited about my future in Occupational Therapy at Worcester State University. As a third generation resident, I hope to make my family and community proud.

Thank you very much for the wonderful scholarship you have provided me. It is so great how many people you are able to provide scholarships to this year and in years past. Thanks to you, my tuition fee and the extra fees of college will be that much easier to pay off. I greatly appreciate all that you have done for me.

I would like to thank you for your contribution to the Citizen's Scholarship Foundation. It makes a difference to have all these wonderful, generous scholarships available to myself and the other graduates. With college so expensive these days, scholarships are so helpful. So thank you so much for all the work you have done for me and my classmates. The scholarship will be going to very good use!

When I first realized that Villanova would be the place I would want to spend the next 4 years of my life, I did so with a pit in my stomach...The cost of this institution will add up to about the cost of a small country, or perhaps the price of Tiger Woods prized yacht. While my parents have always emphasized my ability to do whatever I wish, when it came to funding my college tuition I wasn't so sure. But, thanks to the hard work and generosity of CSF of Bedford, my parents can rest a little easier and I can attend the college of my dreams. I offer my most sincere and utmost gratitude for the generous scholarship you have offered me; words cannot describe how much this scholarship means to me. I will be sure to do something worthwhile in the future to ensure your precious work, time and consideration does not go to waste. Once again, thank you so much for your generosity.

Thank you so much for all of your hard work and efforts to provide students with scholarships. I really appreciate the money that I have received and it makes me more excited to attend the University of Massachusetts at Amherst in the fall. Thank you again!
